# Hvordan finne OA-ressurser i Primo Central Index?

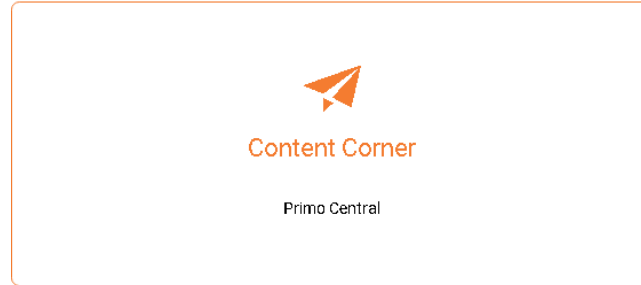

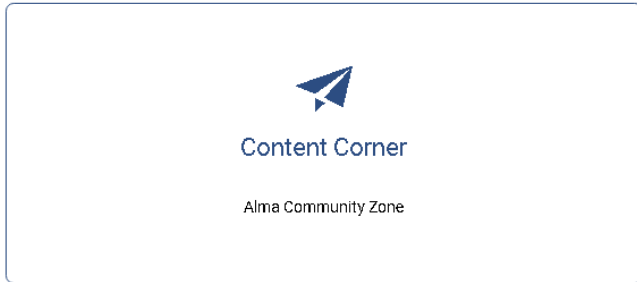

The screenshot shows the Primo Central Index interface for the institution UBO. The left sidebar contains a 'Collections Filter' menu with several options. The 'Full text rights' option is highlighted with a red box and has an upward-pointing arrow, indicating it is selected. Below it, 'Open Access' is listed. Other options include 'Subscription (Collection level)', 'Subscription (Linkresolver)', 'Newspapers', 'Search rights', and 'Other'. The main content area displays the title 'Primo Central Collection Activation - Providers List (1 - 10 of 330)'. Below the title is a checkbox labeled 'Inherit Consortium Central Office resources'. A search filter is present with a dropdown menu set to 'Provider Name' and a text input field containing the word 'Filter'. Below the filter is a table with a blue header row labeled 'Provider's Name'.
